

Disc Medicine Announces Proposed Public Offering of Common Stock and Pre-Funded Warrants

June 12, 2023

WATERTOWN, Mass., June 12, 2023 (GLOBE NEWSWIRE) -- Disc Medicine, Inc. (NASDAQ: IRON) (Disc), a clinical-stage biopharmaceutical company focused on the discovery, development, and commercialization of novel treatments for patients suffering from serious hematologic diseases, today announced that it has commenced an underwritten public offering of \$100 million of shares of its common stock and, in lieu of common stock to certain investors that so choose, pre-funded warrants to purchase shares of its common stock. All shares of common stock and pre-funded warrants to be sold in the offering will be offered by Disc. In addition, Disc intends to grant the underwriters a 30-day option to purchase up to an additional \$15 million of shares of its common stock at the public offering price, less underwriting discounts and commissions. The offering is subject to market and other conditions, and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering.

Disc intends to use the net proceeds from the offering to fund research and clinical development of its current or additional product candidates, as well as for working capital and other general corporate purposes.

Morgan Stanley, SVB Securities, Stifel and BMO Capital Markets are acting as joint book-running managers for the offering. Wedbush PacGrow is acting as lead manager for the offering.

The securities described above are being offered by Disc pursuant to a shelf registration statement on Form S-3 (No. 333-269272) that was declared effective by the Securities and Exchange Commission (SEC) on January 24, 2023. This offering is being made only by means of a prospectus and prospectus supplement that form a part of the registration statement. A preliminary prospectus supplement related to the offering will be filed with the SEC and will be available on the SEC's website at www.sec.gov.
